

XXIV INTERNATIONAL CONGRESS OF
MAINTENANCE AND ASSET MANAGEMENT

**EXPO
MANTENER**

MAY 4th to 6th. 2022. Bogotá - Colombia

Expomantener 2022

The Colombian Association of Engineers ACIEM and the Organizing Committee of the **XXIV International Congress of Maintenance and Asset Management CIMGA**, for consider of great interest for commercial activities and business of your company, wants to invite you to join Expomantener, the trade fair specialized in industrial maintenance, which will take place between May 4th to 6th 2022, in hybrid format.

The companies that participate in **Expomantener** with a stand will have the facility to attend visits, physically

through the stand face-to-face and virtual, through the interactive module, located on the event website, as a complement to the stand in person.

In this version of CIMGA 2022 hybrid mode, the attendees can opt for a participation in a way face-to-face or virtual, in the activities of the agenda Academic and Expomantener, according to your preference and availability. Now, know the benefits that the organization designed to encourage your participation in Expomantener:

Benefits for Entrepreneurs:

Virtual Module

In addition to the face-to-face stand, the exhibitor will have a digital space for exhibition of products and services of the company on the Congress website, so that the virtual participants can interact via WhatsApp with businessmen who are found on the stands.

Interinstitutional networking

Relationship with engineers in the technical and operational area with decision-making power to purchase products and services.

Database

Access to the database of event attendees.

Business Directory

Promotion of the service portfolio of the participating companies in Expomantener, through the Business Directory. Graphic piece that is delivered to all those attending the event.

Media company in Expomantener

Projection of the logo in the video of the participating companies in Expomantener, which is projected to all attendees in the conference room and Expomantener area.

Business networking

Participation in the business networking to interact with potential customers.

Brand Bingo

Trademark registration with the projection of the logo of the participating company during the development of the activity of the Bingo.

Business networking

Business Conference at CIMGA, a great benefit for the Exhibitors. What does it consist of?

The Business Roundtables are meetings of businessmen (BUYER - SELLER), whose purpose is to establish commercial contacts that allow increasing the volume of trade between trading sectors.

The Business Roundtable is supported by an advanced Technological Platform that allows the technical organization of supply and demand of the participating companies, through a rigorous process of registration, selection and schedules of business appointments by the own businessmen.

The above will allow you:

- Register the profile of Products and / or Services.
- Monitor potential counterparts.
- Design business agendas.

Those who participate?

- Businessmen who have bought a Stand at EXPOMANTENER.
- Attendees to the Academic Agenda.
- Visitors to EXPOMANTENER.
- Directors of Maintenance and Asset Management.
- Heads of Supply and Purchasing of the different sectors of the industry, interested in the Portfolio of Products and Services offered by entrepreneurs by EXPOMANTENER.
